SUBJECT: Overshipment of System One Power Supplies

REF : DPD-8002-59 Dated 30 November 1959

25X1 1. The System One Power Supplies (MP-10406) furnished under requirement No. 2 Contract A 101, were delivered to and handled by the Office of Logistics warehouse and the records are too incomplete to determine whether or not extra units were received. However, following receipt of your memo DPS-0999 dated 2 June 1958, four power supplies were allocated for release at your request. Through regular supply channels. Your office was notified of this action by telephone by [REDACTED]

2. In addition to the four power supplies being held for your organization, we have ten more units in stock that are surplus to the needs of this division. If your organization has a requirement for them, they are also available through regular supply channels. The stock number is 5840-H99-0726 and they are located in allocation 21.
